Surveillance number (tick one)	1st Surveillance	X
	2nd Surveillance	
	3rd Surveillance	
	4th Surveillance	
	Other (expedited etc)	
Proposed Team Leader	<p>Chrissie Sieben</p> <p>Chrissie Sieben has a Master's Degree in Marine Environmental Protection which she obtained at the University of Wales, Bangor. She is the MSC Fisheries Scheme Manager at MEC and specialises in marine and fisheries ecology, marine environmental impact assessment and sustainable fisheries. Previous to joining MEC, she worked as a fisheries consultant for MacAlister Elliott and Partners (MEP), where she worked on a number of projects including the application of WWF Common Methodology to wild capture and aquaculture fisheries for the WWF Hong Kong 'Good Fish Guide', Sustainable fisheries in the Trilateral Wadden Sea, acted as Fisheries Liaison for the London Gateway Project and carried out socio-economic characterisations and impact assessments of commercial fisheries for coastal developments. Prior to her work at MEP, she worked inter alia as a marine ecologist on environmental impact assessments (EIAs) and completed an internship with the Global Environment Facility / UNDP International Waters Programme. She is a fully qualified MSC Team Leader with particular expertise in Principle 2 and is involved in MSC full assessments, pre-assessments and fishery surveillance audits. Chrissie participates regularly in MSC CAB training sessions and workshops and has received in-depth Risk-Based Framework training. Within MEC she has also worked as a Chain of Custody auditor.</p> <p>Chrissie is MEC's Fishery Scheme Manager and has overall charge of the MSC fisheries business. She will provide an overview of the assessment process and act as a point of coordination and escalation for the fishery team and client as required.</p> <p>A full CV has been submitted to the MSC separately.</p>	
Audit/review time and location	The site visit will take place at 10.00am on the 2 nd June 2016 in Boulogne-sur-Mer, France. MEC welcomes anyone who would like to participate in the site visit.	
Assessment/review activities	During the audit, MEC will communicate with the client and any relevant stakeholders and use any available up to date information to assess and review:	

	<ul style="list-style-type: none">• Any changes to the fishery and its management including those to management systems, regulation and relevant personnel.• Any changes to the scientific base of information such as stock assessments.• Performance in relation to any relevant conditions of certification to deem conformity with, progress and performance against a condition.• Any developments or changes within the fishery impact may impact on traceability and the ability to segregate MSC from non-MSC products• Any other significant changes in the fishery
--	--

MEC would like to welcome anyone who would like to participate in or contribute to the site visit. All interested stakeholders are encouraged to contact Gavin Fitzgerald (gavin.fitzerald@me-cert.com) or Kat Collinson (kat.collinson@macalister-elliott.com) at MEC by email, telephone or post at the below number and address:

ME Certification
56 High Street
Lymington
