Stakeholders who filed a written submission via the 'MSC Template for Stakeholder Input into Fishery Assessments' or who provided a verbal submission received during a site visit likely to cause a 'material difference' to the outcome of the assessment, may review their submission and CAB response via the MSC website.

The deadline for this consultation is **17:00 UTC on 11/03/2022**.

Control Union (UK) Limited shall only accept stakeholder input as public record if submitted using the MSC Template for Stakeholder Input into Fishery Assessments' - [Stakeholder Input Template](#) or if raised at the site visit in person or remotely.

Please note that stakeholders must provide objective evidence and references in support of any claims or any claimed errors of fact.

Comments may remain unattributed. Furthermore, information that cannot be shared with any other stakeholder will not be referenced in the assessment and cannot be used in determining the outcome of the fishery's assessment nor used as a basis for an objection.

Stakeholders may raise issues with the team in confidence for the team to consider at the site visit, but any confidential information cannot be used in scoring unless in compliance with confidentiality requirements.

Information can be kept confidential if it is restricted to financial transactions about certification, the financial affairs of individual companies or information that may lead to this information being known, or information that is the subject of relevant national privacy or data protection legislation in the assessed fishery's country.

By engaging, your name may be published in any relevant reports.
