Iturup Island, Russia Salmon Fisheries Public Comment Draft Report **10 June 2009**

SCS is re-releasing the Public Comment Draft Report for the Iturup Island, Russia Salmon Fisheries. Previous release version was without peer reviewers' comments. The MSC requires that the comment period commence again for another 30 days to allow any interested parties to comment to SCS. Any stakeholders wishing to provide input may do so by contacting SCS by 1700 PST, July 12, 2009. Input can be provided by email, phone, or mail.

To date no stakeholders have officially engaged (by email, written letter, phone, or fax) SCS regarding the Public Comment Draft Report.

The client for this assessment is JSC Hidrostroy (Sakhalin, Russia). The client has made all relevant documents used in the assessment available at <http://gidrostroymsc.com/>.

All inquiries concerning stakeholder input into the assessment process should be directed to Scientific Certification Systems, Inc. as follows:
