Barents Sea cod and Barents Sea haddock Fishery

Marine Stewardship Council Certification

Certification Body: Food Certification International Ltd

3rd Surveillance Audit (MSC Certificate issued 24.11.2010)

Surveillance level: Remote

Food Certification International Ltd is now in the process of conducting annual surveillance audits for this fishery. The key purpose of this stage is to:

- » review and evaluate the progress of the fishery against Conditions of Certification raised during the full assessment;
- » review any changes in the management systems;
- » review and evaluate any changes or additions / deletions to regulations;
- » review any personnel changes in science, management or industry to evaluate impact on the management of the fishery;
- » review any potential changes to the scientific basis of information.

The assessment will be conducted by the following assessors: Paul Medley, Fiona Nimmo and Geir Hönneland.

The audit will be conducted off-site during week commencing **4 November, 2013**. If you would like to submit comments of information for consideration by the assessment team, please do so by **21 October, 2013** giving the following:

- » your name and contact details;
- » your association with the fishery;
- » the issues you would like to highlight.
