MSC Certification Requirements (v1.3 January 2013) are being used to assess this fishery. To provide stakeholder comments, please contact Adrienne Vincent at [mscStakeholders@scsglobalservices.com](mailto:mscStakeholders@scsglobalservices.com). Additional information regarding results of otolith sampling in 2013 and 2014 were incorporated into the public comment draft report and additional conditions and client action plan negotiation were also included.
