Announcement of Full Assessment

IMO is glad to announce that the MSC fishery full assessment is underway for the Chilean mussel (*Mytilus chilensis*) fishery Toralla S.A. and Cultivos Toralla S.A. in Chile. This full assessment will evaluate this fishery for compliance with the MSC Fishery Standard - Principles and Criteria for Sustainable Fishing_v1.1.

In order to initiate the full assessment, IMO seeks to open a dialogue with all stakeholders with a direct interest in this fishery. Anyone wishing to provide comments or information to the full assessment process concerning the three MSC principles (stock status, ecosystem interactions and fishery management) is invited to contact IMO.
