

**Russian Federation Barents Sea cod, haddock and saithe**

**Marine Stewardship Council Certification**

**Certification Body: DNV GL Business Assurance Norway AS**

**Opportunity to submit new information**

DNV GL Business Assurance (DNV GL) notifies all stakeholders about a 30 days consultation period within which stakeholders are invited to submit any new information relating to **the Russian Federation Barents Sea cod, haddock and saithe fishery** that they think the team should consider in the assessment.

Following the 30-day consultation period, the assessment team will:

- a. Review any new information provided.
- b. Assess new information following all steps from scoring the fishery (7.10) to peer review (7.14) against the Fisheries Certification Requirements v2. The team may limit the scope of this assessment to the re-scoring of those PIs for which there is new information.

Should you have any new information, which you believe was not available to the assessment team during site audit conducted during 22 -26 January 2018 (Murmansk, Russia), please submit this information to [Anna.Kiseleva@dnvgl.com](mailto:Anna.Kiseleva@dnvgl.com) by **5 PM GMT on 27<sup>th</sup> of July 2018**.

If you would like to talk to the assessors in person, please advise us of your interest, giving the following details:

1. Name and company, together with contact information;
2. Your association with the fishery;
3. The issues you would like to discuss (in order for us to arrange appropriate representation)
4. Suitable venue and time for a meeting.

Recommendations of new stakeholders who might have a new information relating to the fishery are also welcome.
