ANNOUNCEMENT
GULF OF CALIFORNIA SARDINES, MEXICO
1 OCTOBER 2006

Scientific Certification Systems, Inc., Emeryville, California, USA is pleased to announce that the MSC fishery assessment process will be commencing for the Sardine Fishery in the Gulf of California, Mexico. The assessment will evaluate the fishery for compliance with the MSC's Standard for well-managed fisheries.

The client for this assessment is Camara Nacional de la Industria pesquera, Delegacion Sonora. The contact person is Leon Tissot.

SCS invites all parties interested in this assessment to contact SCS to provide comment about the fishery as part of the required stakeholder consultation process. All inquiries about fishery or the assessment process should be directed to Scientific Certification Systems, Inc.:
