Client: Sustainable Fisheries Greenland
Address: c/o Greenland Business Association, Jens Kreutzmannip Aqq. 7, 3900 Nuuk, Greenland

has been found to comply with the requirements of

MSC Fisheries Standard, v 2.0

The certified fishery has the right to claim the fishery is a "Well Managed and Sustainable Fishery", in accordance with the MSC's Principles and Criteria for Sustainable Fishing. Further claims made about the fishery shall be in accordance with rules established by MSCI.

This certificate is valid for the following Scope:
Greenland halibut (*Reinhardtius hippoglossoides*) fished offshore by trawlers and longliners in West Greenland (NAFO Subareas 1 A-F).

Parties entitled to use the certificate to enter fish from the certified fishery into certified chains of custody are all vessels holding a Greenland halibut fishing license and are current members of Sustainable Fisheries Greenland as per vessel list published on the MSC website.

MSC Chain of Custody certification will commence from change of ownership at the point of landing from the certified trawler company to either the sales or the processing company, all members of Sustainable Fisheries Greenland. The Chain of Custody will commence following sale of frozen, landed Greenland halibut products at the points of landing and land-based processing sites must have separate Chain of Custody certification.
For detailed scope refer to the Public Certification Report available for download at MSC website: http://www.msc.org/track-a-fishery/certified.
