

Norway North East Arctic cod fishery**Marine Stewardship Council Certification****Certification Body: DNV GL Business Assurance****Notification of Change of fishery name and UOA/UOC.**

DNV GL would like to advise all stakeholders that from the reassessment of the Norway North East Arctic cod fishery, the name has been changed to "Norway North East Arctic offshore cod fishery" with targeted species cod.

The UoA/UoC of the fisheries has been amended as follows:

Local fisheries management area: ICES sub areas 1 and 2, Norwegian (>12nm) & Russian Fishing zones and International waters.

These changes are effective from the ongoing reassessment of the fishery.

The validity of the present certificate MSC-F-31210 expiring 26 April 2021 remains unchanged.

Any comments about this should be sent to the contact details given below.
