

Marine Stewardship Council (MSC) Certification

Canada 3LN Redfish Fishery

NOTICE OF AN ADDITIONAL 30 DAY STAKEHOLDER INFORMATION SUBMISSION AND COMMENT PERIOD

SAI Global Assurance Services is currently undertaking the assessment of the above fishery against the Marine Stewardship Council (MSC) Principles and Criteria for Sustainable Fishing.

Due to delays in information collection and review, the period since the last day of the site visit and the date when the Public Comment Draft Report will be released will exceed a total of nine months. Under MSC Certification Requirements v1.3, the Conformity Assessment Body is required to announce an additional 30 day period for any new information or comments from stakeholders to be received prior to finalization of a Client Draft Report.

SAI Global invites stakeholders who wish to provide additional information and comment to do so before the close of the 30 day period on:

- **17.00 GTM 15th April 2016**

Thank you.

Information or comments should be sent to:
