

Iturup Island Pink & Chum Salmon Fishery **Announcement of Public Certification Report** **10 September 2009**

SCS is pleased to announce the release of the Public Certification Report for the Iturup Island Pink & Chum salmon fishery. SCS have received no notice of objection during the 15 working day time period required for comment on the Final Report.

Due to this final consultation period being completed this fishery is therefore able to use the MSC's logo on its products.

The Public Certification Report is available at the MSC website at
<http://www.msc.org/track-a-fishery/certified/pacific>

SCS would like to express our thanks to the client, J.S.C. Gidrostroy, and to all management, research and industry personnel who made themselves available to the assessment team, and finally to the individual and organizational stakeholders who participated throughout this assessment process.
