

## **Marine Stewardship Council Fishery Certification**

Fishery: Toralla S.A. and Cultivos Toralla S.A.

Certification Body: Institut für Marktökologie, IMO

**Site Visit: 2<sup>nd</sup> – 9<sup>th</sup> March 2012**

The above mentioned fishery is now entering the stage of “information gathering” of the full assessment against the MSC Principles and criteria for sustainable fishing. The key activities in this stage are to collect information about the fishery and to meet stakeholders and representatives of organisations linked to the fishery, fishery management and environmental management.

We are looking forward to receive any information on the mentioned fishery that in your opinion should be considered in the full assessment. Most meetings will be carried out over the period between the 5<sup>th</sup> and 9<sup>th</sup> of March in Chonchi, Región de los Lagos, Chile. Please let us know if you would like to arrange a meeting and give the following details by the 24<sup>th</sup> of February 2012:

- Name
- Contact information
- Association with the fishery
- Issues to be discussed
- Date for meeting

Best regards to all interested persons.

Information should be sent to:

Institut für Marktökologie, IMO  
Weststrasse 51
