### **Notification of a Review of Information on Added Unit of Certification**

Vottunarstofan Tún ehf. wishes to notify that Nephrops trawl has been added as unit of certification during the assessment of the above fishery. Stakeholders are invited to submit information on this unit of certification that they think should be considered by or would be useful to the assessment team.

Please submit any comments by 17.00 GMT on Wednesday 19 February 2014.
