US North Atlantic Swordfish

Client/Certificate Holders:

Day Boat Seafood, LLC

Management System: Atlantic swordfish are highly migratory species (HMS) and are federally managed by NMFS at the domestic level, and by the International Commission for the Conservation of Atlantic Tunas (ICCAT) at the international level.

Chain of Custody: The limit of identification of landings is to the point of landing at facilities of Day Boat Seafood and associated companies (or comparable under a certificate sharing Agreement). Chain of Custody would begin from the point of sale from a vessel to a Day Boat Seafood facility under a certificate sharing agreement).
