

Faroe Islands Tusk & Ling fishery

Marine Stewardship Council

Certification Body: DNV GL - Business Assurance

Announcement of release of Public Certification Report

DNV GL - Business Assurance (DNV GL) is pleased to announce that following the 15 working day period of stakeholder comment on the Final Report, no statements of intent to lodge an objection to the certification of the Faroe Islands Tusk & Ling fishery for the client JFK Trol have been received.

A Public Certification Report is now being released and the existing certificate of the Faroe Islands Saithe fishery will be extended.

DNV GL wishes to take this opportunity to thank all stakeholders who have participated in the re-assessment of this fishery.
