

Norway North East Arctic haddock offshore (>12nm) fishery

Second Reassessment

Marine Stewardship Council Certification Certification Body: DNV Business Assurance

Announcement: Release of Public Certification Report

DNV is pleased to announce that following the 15 working-day period of stakeholder comment on the Final Report, no statements of intent to lodge an objection to the second reassessment of the Norway North East Arctic haddock offshore (>12nm) fishery for the client Norges Fiskarlag (Norwegian Fishermen's Association) have been received.

A Public Certification Report is now being released and a revised certificate shall be issued. Subject to successful ongoing surveillance audits, the Norway North East Arctic haddock offshore (>12nm) fishery is now recertified.

The scope of certification is:

Species: Atlantic haddock (*Melanogrammus aeglefinus*)

Fishing gear: Trawl, longline, gillnet, Danish seine and hook & line

Client (Group members): Norges Fiskarlag on behalf of the entire Norwegian Fleet.
