

**Dutch Oyster Association Oyster Fishery
MSC Certification
Certification Body: Intertek Moody Marine**

Nominations for Assessment Team membership

Intertek Moody Marine is currently undertaking the main assessment of the above fishery against the Marine Stewardship Council Principles and Criteria for Sustainable Fishing. To assist in this assessment, we are looking to appoint a team of expert advisors with collective knowledge of the stock evaluation, ecosystem impacts and management framework applicable to this fishery.

The persons proposed as potential team members of this fishery assessment are set out below in alphabetical order. CVs are provided for all nominees. Potential team members have been selected on the basis of their experience of fishery management, stock assessment and/or ecosystem interactions. The coordinating Assessor from Intertek Moody Marine will be Dr Andrew Hough.

All stakeholders are now invited to provide any comments on the suitability or otherwise of any of the nominees. We would, however, ask for any comments by the **18 November 2011** prior to continuing the assessment process. These should be sent to Andrew Hough at:
