### 1. Proposed variation

*Due to complexity and volume of information received from the client and management agency during and after the scheduled surveillance audit, as well as the need to review the audit findings with the client prior to publication, the report preparation has taken longer than anticipated.*

*IFC is requesting a variation request to submit the surveillance audit report on or before 23 July 2014.*

### 2. Rationale/Justification

*Due to complexity and volume of information received from the client and management agency s during and after the scheduled surveillance audit, as well as the need to review the audit findings with the client prior to publication the report preparation has taken longer than anticipated.*

### 3. Implications for assessment (required for fisheries assessment variations only)

*There are no impacts expected to the certification period.*

### 4. Have the stakeholders of this fishery assessment been informed of this request? (required for fisheries assessment variations only)

*No. There were no requests to input or submissions from stakeholders during this audit.*

### 5. Further Comments

*None.*
