

NOTIFICATION OF FINAL REPORT

9TH JUNE 2016

CANCALE BAY ATLANTIC SLIPPER LIMPET DREDGE FISHERY

MARINE STEWARDSHIP COUNCIL
CERTIFICATION BODY: BUREAU VERITAS IBERIA

The Determination reached by the Certification Body is that **Cancale Bay Atlantic Slipper Limpet Dredge Fishery** should be certified according to the MSC Principles and Criteria for Sustainable Fisheries.

The Final Report relating to this assessment is now available on the MSC website.

Please note that this is a determination, not a final certification result. This fishery is therefore not certified, nor is it able to use the MSC's logo on any products until the final consultation period has been concluded and a certificate has been issued.

There is now a 15 working day period during which any party that disagrees with this determination, and that has previously provided input to the assessment team (or can establish that necessary procedures were not followed to seek their involvement prior to this point) may send a written statement of intent to lodge an objection. A description of applicable grounds for objection, along with all other directions for the objections process, can be found here:

<http://www.msc.org/documents/get-certified/stakeholders>

Should you wish to submit an objection please follow the directions detailed on the MSC website via the above link. This must be actioned no later than 17:00 GMT on **Thursday 30th June 2016**.

Comments should be sent in the first instance to: **Macarena G. SILVA**
