

North West Atlantic Canadian Longline Swordfish Fishery MSC Certification

Certification Body: Moody Marine Ltd

Stakeholder Notification: Assessment Timeline Deviation

Please be advised that the above noted fishery has deviated from the previous timeline update associated with the assessment, which anticipated that the public comment draft report would be available for review in January 2011.

The assessment team is currently taking account of peer review comments and reviewing the client action plan.

The assessment timeline for the remainder of the steps in the assessment process is as defined below.

Stage	Original Target date*	Amended date	Reasons for Change in Timing
Stakeholder review of Public Comment Draft Report			
Start of consultation period	02 February 2010	07 March 2011	Availability of individuals involved.
End of consultation period	04 March 2010	07 April 2011	
Stakeholder Review of Final Report			
Start of consultation period	26 March 2010	25 April 2011	
End of consultation period	10 April 2010	16 May 2011	
Issue Public Certification Report	16 April 2010	25 May 2011	

Should you have questions regarding the assessment timeline or the MSC process, please contact Amanda Park. Should you wish to obtain further information on the Marine Stewardship Council, this is available on their web site at <http://www.msc.org>.
