## SSPO Swedish West Coast Rope Grown Mussel fishery

### Marine Stewardship Council Certification

**Certification Body: Food Certification International Ltd**

### Notification of change of site visit details

Food Certification International Ltd would like to announce that the Site Visit details for the above named fishery assessment has been changed. The surveillance audit team were due to undertake an on-site surveillance audit but have now been granted a variation to conduct a remote surveillance audit on this occasion.

This is due to the following reasons;

*There are no conditions relating to outcome PIs and all the year 1 requirements involve the client itself or in co-ordination with government agencies to develop procedures and documentation, which could be addressed remotely."*

*As such, all key information to carry out the surveillance, including updated management advice, is available remotely and interpretation is not compromised by carrying out the surveillance audit in this way.*

The remote assessment will be conducted by the following assessors: Principal 3 Mr Rod Cappell and Principal 2 Ms Lucia Revenga Giertych

The audit will be conducted remotely during week commencing 26<sup>th</sup> January 2015. If you would like to submit comments or information for consideration by the assessment team, please do so by 19<sup>th</sup> January 2015, 7 days before visit date, giving the following:

- » your name and contact details;
- » your association with the fishery;
- » the issues you would like to highlight.
