Point(s) at which the fish and fish products may enter a Chain of Custody

The product caught by the UoC presented in the table above is eligible to be sold by the client group as MSC certified and enter further certified CoC. However, restrictions on the fully certified product entering further CoC have been imposed since the vessels included in the UoC are required to have their own on-board MSC-CoC certificates. Thus, MSC Chain of Custody should commence prior the point where catch is offloaded to containers or reefer ship.
