

Marine Stewardship Council (MSC) Certification

Canada Atlantic Halibut Fishery

NOTICE OF AN ADDITIONAL 30 DAY STAKEHOLDER INFORMATION SUBMISSION AND COMMENT PERIOD

SAI Global Assurance Services is currently undertaking the re-assessment of the above fishery against the Marine Stewardship Council (MSC) Principles and Criteria for Sustainable Fishing.

Due to a delay in the assessment to allow the team to further analyse data and make revisions from peer review comments, The Public Comment Draft Report will be issued more than 9 month after the re-assessment announcement. The Conformity Assessment Body is required to announce an additional 30 day period for any new information or comments from stakeholders that the assessment team should consider in the re-assessment of the fishery.

SAI Global invites stakeholders who wish to provide additional information and comment to do so before the close of the 30 day period on:

- **17.00 GTM 9th March 2018**

Information or comments should be sent to:
