**MARINE STEWARDSHIP COUNCIL CERTIFICATION**

**Western Bering Sea Pacific cod and Pacific halibut longline**

**STAKEHOLDER NOTIFICATION**

**NEW TEAM MEMBERS**

UCSL United Certification Systems Limited would like to inform that the decision has been made to change the team leader Chrissie Sieben as a P2 expert and TL for Petr Vasilets as a P2 expert and TL for the Western Bering Sea Pacific cod and Pacific halibut longline for the Scope extension.

Dr. Petr Vasilets worked for more than 25 years as a fishery scientist in the Kamchatka branch of VNIRO (Russian Federal Research Institute of Fisheries and Oceanography). He received PhD in biology in 2000 with a thesis on the "The smelts in the coastal waters of Kamchatka". He has over 50 scientific publications on various aspects of fisheries. In 2020-2021, he successfully completed MSC online training, including MSC Risk Based Framework (RBF), for role "Fishery Team Leader". Petr has participated in nine assessments conducted by CAB Marine Certification LLC (now — UCSL), as a trainee for team member and team leader and as a team member (expert on Principle 1 and Principle 2). He has passed the Traceability and RBF training modules. Petr has also taken CQI and IRCA Certified EMS Lead Auditor Training course.

UCSL United Certification Systems Limited confirms that Petr Vasilets meets the competency criteria and has the appropriate skills and experience required to serve as a Team Leader.

UCSL United Certification Systems Limited confirms that Petr Vasilets meets the competency criteria and has the appropriate skills and experience required to serve as a P2 expert.

UCSL United Certification Systems Limited confirms that Petr Vasilets has no conflicts of interest in relation to the fishery under assessment.
