

**Faroe Islands North East Arctic cold water prawn fishery**

**Marine Stewardship Council Certification**

**Certification Body: DNV Business Assurance**

**Notification of Proposed Peer Reviewers**

DNV Business Assurance (DNV) announces the proposed Peer Reviewers for this fishery. Potential peer reviewers have been approached on the basis of their experience of one or more of the following:

- the fishery under assessment
- fishery management
- stock assessment issues
- relevant ecosystem interactions

Brief details of each reviewer are provided below. All stakeholders (including the applicant fishery) are now given the opportunity to state any comments/objections to the selection of a proposed peer reviewer specifying the basis of any conflicts of interest and accompanied by a statement of objection.

We would, however, ask for any comments/objections by **4 PM GMT on 29<sup>th</sup> of March 2013** prior to continuing the assessment process.

Please use **“MSC template for stakeholder input v1”** for submission of your comments.

The template can be downloaded from the link:

<http://www.msc.org/documents/scheme-documents/forms-and-templates/msc-template-for-stakeholder-input-into-fishery-assessments/view>

The contact details for DNV are:

Mrs. Anna Kiseleva  
Senior Assessor,  
DNV Business Assurance

Tel. +47 993 18 529  
Address: DNV, Veritasveien 1, 1322 Høvik, Norway

Date: 19 March 2013

**Dr. David Bennett:** David Bennett has 40 years' experience in fisheries research, specialising in the biology, population dynamics, and assessment of commercially exploited fish and shellfish stocks (e.g. lobsters, crabs, Nephrops, shrimps) the provision of national and international fisheries management advice, and fisheries aspects of environmental impact studies. He chaired the International Committee for Exploration of the Seas (ICES) Working Group on *Nephrops* stocks, has been a member of a number of ICES Working and Study Groups and of the ICES Advisory Committee on Fisheries Management, and an expert for DG XIV of the EU Commission.

**Dr. Geir Hønneland:** Geir Hønneland is a Research Director of the Fridtjof Nansen Institute and adjunct professor at the University of Tromsø, Norway. He holds a Ph.D in political science and specializes in the study of fisheries management systems. His Ph.D (University of Oslo, 2000) focused on the conditions for compliance in the Barents Sea fisheries, and he has published a number of articles in scientific journals and books about compliance in fisheries. *Making Fishery Agreements Work: Post-Agreement Bargaining in the Barents Sea* (Edward Elgar, 2012) is one of the most recent books written by Dr. Hønneland. He also has wide range of evaluation experience, e.g. for the FAO relating to the FAO Code of Conduct for Responsible Fisheries.
