Following a 30 day period of comment on the Draft Report, SAI Global Assurance Services, has reviewed the report of the assessment team, the reports of the Peer Review panel and all stakeholder comments.

The Determination reached by the certification body is that the Îles-de-la-Madeleine Lobster Trap Fishery SHOULD be certified according to the MSC Principles and Criteria.

The Final Report relating to this assessment is now available on the MSC's website (www.msc.org).

Please note that this is a determination, not a final certification result. This fishery is therefore not certified, nor is it able to use the MSC's logo on any products until the final consultation period has been concluded.
