*Australian Western Rock Lobster Fishery
Release of the Public Comment Draft Report*

SCS is pleased to announce the release of the Public Comment Draft Report for the Fishery. The MSC requires this report to be posted for a minimum of 30 days to allow any interested parties to comment.

As a reminder, information is most useful to the assessment team when it is specific to the assessment tree and includes supporting documentary evidence for any issues of concern.

Please provide comments no later than 6th April, 2017 by 1700 GMT.

The Public Comment Draft Report can be found on the MSC website at www.msc.org.

All inquiries concerning stakeholder input into the assessment process should be directed to
