

Norway Skagerrak and Norwegian Deep cold - water prawn fishery

Marine Stewardship Council Certification

Certification Body: DNV GL Business Assurance

Announcement of release of Public Certification Report

DNV GL - Business Assurance (DNV GL) is pleased to announce that following the 15 working day period of stakeholder comment on the Final Report, no statements of intent to lodge an objection to the certification of the Denmark Skagerrak and Norwegian Deep cold water prawn fishery for the client Norges Fiskarlag have been received.

A Public Certification Report is now being released and a certificate is issued. Subject to successful ongoing surveillance audits, the Norway Skagerrak and Norwegian Deep cold water prawn fishery is now certified for 5 years.

DNV GL wishes to take this opportunity to thank all stakeholders who have participated in the assessment of this fishery.
