Guyana seabob fishery

Fishery Certificate Statement

The Public Certification Report and other documents pertaining to the assessment of the Guyana seabob fishery are available on MSC´s website: https://fisheries.msc.org/en/fisheries/guyana-seabob/@@assessments.

Eligibility to access the certificate

Guyana seabob, landed by Guyanese registered seabob trawl vessels which are signatories to the Guyana Seabob Code of Conduct and are in full compliance with the Guyana Seabob Management Plan, and is landed to and processed by any of the following three GATOSP member seabob processing facilities, and landed on the following three landing sites of the Demerara River:

- Noble House Seafoods: Block X Eccles, East Bank Demerara
- Gopie Investment Inc.: New Hope, East Bank Demerara
- Pritipaul Singh Investment: Mc Doom, East Bank Demerara

There are no other eligible fishers defined for this fishery.

List of vessels eligible to land and supply Guyana seabob to client members
