

*****ADVISORY*****

Pacific Mexican Shrimp Fishery

Update to Onsite Meeting Dates

In accordance with Marine Stewardship Council (MSC) Fishery Certification Requirements, stakeholders and interested parties are informed that there is an update on the onsite meeting dates for the fishery currently under assessment.

The determined onsite meeting dates are from March 17th to March 19th, 2020, with the possibility of extension to March 20th depending on the amount of stakeholder involvement in the assessment. The onsite meeting will take place in Mazatlan, Sinaloa, Mexico.
