

BRITISH COLUMBIA SPINY DOGFISH FISHERY

MSC Certification
Certification Body: Moody Marine Ltd

Peer Review Timescale

Peer Review of the draft report for the above fisheries is now underway. This review process is due for completion by May 20, 2011.

On completion, the draft reports will be updated to take account of peer review comments and then shall be provided for stakeholder comment. Peer review reports shall be appended to the draft report.

The peer reviewers carrying out the review are:

1. Dave Kulka
2. Denis Rivard

Yours sincerely

Ian Scott
Lead Assessor
