Gulf of California, Mexico--Sardine Fishery Public Comment Draft Report
4 June 2010

SCS is pleased to announce the release of the Public Comment Draft Report for the Gulf of California, Mexico—Sardine Fishery. The MSC requires this report is posted for a minimum of 30 days to allow any interested parties to comment to SCS. Any stakeholders wishing to provide input may do so by contacting SCS by 1700 PST, 9 July 2010. Input can be provided by email, phone, or mail.

The Draft Report is available on the [MSC website](#). To access the report, follow the links to Track a fishery → Fisheries in Assessment → Pacific → Gulf of California, Mexico —Sardines → Assessment Downloads. Or follow the link below:
