

## **Marine Stewardship Council (MSC) Certification**

### **US Arcadian Redfish, Haddock and Pollock Otter trawl Fishery**

**Client:**

**Cape Ann Seafood Exchange, Inc.**

#### **Notification Of Change To Timeline**

A revised timeline for completion of the assessment is hereby submitted.

This replaces the timeline submitted in August 2015.

Deviation from that timeline is due to SAI Global reviewing updates on target and non-target species and incorporating this in the report.

As a consequence of this revised timeline, the revised target eligibility date for this fishery is September 2015.
