**Invitation to Stakeholders for Submission of New Information
FROM Nord North Sea and Eastern Channel pelagic trawl herring**

Control Union Pesca Ltd (CU Pesca) are currently undertaking the full reassessment of the FROM Nord North Sea and Eastern Channel pelagic trawl herring fishery.

This fishery was announced on the 21/02/2019 and the Public Comment Draft Report (PCDR) was due to be published by early November 2019. The period of consultation will last 30 days. A revised timeline has been published on the MSC's website.
