Barents Sea cod and Barents Sea haddock Fishery

Marine Stewardship Council Certification

Certification Body: Food Certification International Ltd

4th Surveillance Audit (MSC Certificate issued 24/11/2010)

Surveillance level: Normal

Food Certification International Ltd is now in the process of conducting annual surveillance audits for this fishery. The key purpose of this stage is to:

- » review and evaluate the progress of the fishery against Conditions of Certification raised during the full assessment;
- » review any changes in the management systems;
- » review and evaluate any changes or additions / deletions to regulations;
- » review any personnel changes in science, management or industry to evaluate impact on the management of the fishery;
- » review any potential changes to the scientific basis of information.

The assessment will be conducted by the following assessors: Geir Hønneland (Team Leader), John Hambrey and Bob O'Boyle.

There will be an on-site visit at the same time as the Re-assessment site visit for this fishery and we expect to conduct any meetings as required during week commencing **Monday 9th February, 2015** in Kirkenes, Norway. We may be able to meet with stakeholders as appropriate. If you would like to talk to the assessors, please advise us of your interest by **Monday 26th January, 2015**, giving the following:

- » your name and contact details;
- » your association with the fishery;
- » the issues you would like to discuss (in order for us to arrange appropriate representation).
