Canada Scotian Shelf Northern prawn trawl

Certification Body: Lloyd's Register

New Information Consultation Period

Due to the length of time since the last opportunity for stakeholders to comment on the Canada Scotian Shelf Northern prawn trawl fishery, LR are opening a 30-day consultation period to provide stakeholders the opportunity to a submit any new information that they may have in relation to this fishery.

The MSC provides a set of guidelines and templates to assist in the transfer of information between stakeholders and Certification Bodies. These should be used for any comments you wish to make on this or any other stage of the assessment process and can be found here:

http://www.msc.org/documents/get-certified/stakeholders

Should you wish to submit comments please complete the relevant section and return it to us **no later than 17:00 GMT on 10th January 2019.**

Comments should be sent in the first instance to:

LR Fisheries Department
