

Notice of Certificate expiry

Gulf of St Lawrence Northern Shrimp Trawl fishery

17th September 2019

The above fishery's MSC certification has expired.

The suspension requires that the certificate holder not sell any fish caught as MSC-certified after the day of expiry until such time that the suspension is lifted. To comply with this requirement, the fishery is not eligible to use the MSC ecolabel. Fish landed within this certified Unit of Certification prior to the date of this expiry, purchased/sold as MSC certified and stored in a facility with a valid MSC chain of custody certificate within scope, can be sold as MSC certified **if the date of landing can be confirmed.**

This fishery is currently in reassessment.
