Notification – Site visit – postponement

It is with regret that FCI will have to announce the postponement of the planned site visit to Murmansk during week commencing 24th August 2009.

This has been due to unforeseen circumstance out with the control of FCI; we are presently working with all parties to rearrange a new date for the stakeholder consultation site visit to take place in Murmansk, Russia.

FCI would like to express their gratitude to all those involved and our regret that this has occurred.
