Notification - Site Visit

This fishery is entering the 'information gathering' stage of the assessment against the MSC Principles and Criteria for Sustainable Fishing.

A key purpose of this stage is to collect information on the fishery and in particular to speak to representatives of the fishery, fishery management and environmental management bodies. Should you have any information on this fishery that you feel should be considered in the assessment, please advise us.

The fishery assessment team will be making visits to Northern Ireland during week commencing 12th January 2015]. If you would like to talk to the assessors, **please advise us of your interest by 17.00 GMT on Monday 5th January 2015** giving the following details:

- » your name and contact details;
- » your association with the fishery;
- » the issues you would like to discuss (in order for us to arrange appropriate representation).

Enquiries should be sent in the first instance to:
