Notification of Draft Assessment Tree and Scoring Guideposts

As further information received by Global Trust, we are proposing to assess the performance indicator **2.1.1 Retained Species Outcome** using the MSC's Risk-Based assessment Framework (RBF). Information on the RBF can be assessed on the MSC website <http://www.msc.org>. The complete MSC Certification Requirements can be provided on the request from Global Trust.

Global Trust will be taking comments on the proposed Certification Requirements, it is requested that anyone wishing to contribute contact Global Trust no later than **Thursday 1st November 2012**. All comments should be sent to Global Trust using the contact details shown below.
