MSC Fishery Announcement – Indicative Timeline

ISF Iceland Ling – Expedited Assessment

Vottunarstofan Tún has announced that a Marine Stewardship Council (MSC) assessment of the **ISF Iceland Ling fishery** has begun, by way of an expedited scope extension to the ISF Iceland Saithe fishery, to evaluate the fishery's compliance with the MSC's Standard for well-managed and sustainable fisheries.

The assessment will follow the indicative timeline shown below. In the event of a delay of 10 days or more, an updated timeline will be issued for posting on MSC's website.

Year 2015 – Month:	March	April	May	June	July	August	Sept	Oct
Announcement of expedited audit, assessor consultation and confirmation, and site visit announcement								
Site visit, stakeholder meetings								
Scoring meeting, report
