

SOUTH GEORGIA ICEFISH TRAWL FISHERY MSC CERTIFICATION

MSC Certification
Certification Body: Intertek Moody Marine

Surveillance Audit 2 -2012

Following certification of this fishery, we are now continuing the process of annual surveillance audits of the fishery. These audits have two principal functions:

1. To review any changes in the management of the fishery, including regulations, key management or scientific staff, or stock evaluation
2. To evaluate the progress of the fishery against any Conditions of Certification raised during the Main Assessment.

During the audit, or at separate meetings, we shall be speaking with representatives of the fishery and fishery management organisations. We expect to carry out meetings on 19 Sept 2012

Meetings will be held at in Cambridge, UK and attended by Audit Team members

Jason Combes	Coordinator / L/A	On site
Nathan de Rozarieux	Coordinator / L/A	May attend site visit
Paul Medley	P1, P2 & P3	On site
Jake Rice	P3	Conducting work remotely if necessary

(see details of the team membership below).

Should you have any information on this fishery that you feel should be considered in the assessment, please advise us. We may be available to meet with stakeholders as appropriate. If you would like to arrange a meeting, please advise us of:

- a) your name and contact details
- b) your association with the fishery
- c) the issues you would like to discuss (in order for us to arrange appropriate representation)
- d) where and when you would like to meet

Yours

Dr Jason Combes
