Marine Stewardship Council Certification**

Final Report and Determination

Certification Body: MRAG Americas, Inc.

26 April 2018

Following a 30 day review period of the Public Comment Draft Report, MRAG Americas announces the release of the Final Report and Determination for the Narody Severa-Bolsheretsk Salmon Fisheries. The MRAG Americas assessment team has recommended that the Washington fishery meets the requirements, and the California fishery does not meet the requirements, for a well-managed and sustainable fishery. **This decision is a determination and not the final certification result.** The report is available at the MSC website:

<https://fisheries.msc.org/en/fisheries/narody-severa-bolsheretsk-salmon/@@assessments>

The MSC requires posting of this final report for 15 working days to allow stakeholders who disagree with the determination to file a statement of objection to the determination conclusion. Stakeholders may find the MSC Objections Procedure on the MSC's website: (www.msc.org/get-certified/fisheries/assessment/objections).

Stakeholders may submit a written statement of intent to lodge an objection to Ms. Amanda Stern-Pirlot, copied to the MSC Executive (objections@msc.org), no later than 5pm UTC on 23 May 2018 at the following:
