

Dear Stakeholder,

RE: American Samoa EEZ Albacore and Yellowfin Longline Fishery - Change in site visit location

The site visit for the MSC full assessment of the American Samoa EEZ Albacore and Yellowfin Longline Fishery was due to take place in Pago Pago, American Samoa on the 10th to 13th January 2017. However, due to unforeseen circumstances, the MEC assessment team were not able to travel to Pago Pago, for the 10th January 2017.

The site visit is now being held in Honolulu, Hawaii, where the major stakeholders are based and a series of conference calls have been scheduled with the available members of the client group.

Any stakeholder who would like to arrange a face-to-face meeting with a member of the assessment team or would like to submit further comment, can do so by contacting Kat Collinson (<u>kat.collinson@me-cert.com</u>). The assessment team will be based in Honolulu until Friday 13th 2017.

Further details on this fishery can be seen via the MSC's website here: - <u>https://fisheries.msc.org/en/fisheries/american-samoa-eez-albacore-and-yellowfin-longline-fishery/@@view</u>
